Received for record the 13th day of December, A.D. 1881, at 10:00 o'clock A.M.
Duly entered for taxation December 13, 1881.

They moved to this farm, with its old log house and lean-to kitchen, soon after their marriage; their children were all born here and after the death of Lillie the farm was sold to Letha B. Routh, the youngest daughter.

James and Lillie bought a frame house of four rooms in 1893, two up and two down; then in 1915 they added a bed room and dining room on the north side of the frame house. The old log house was taken down about 1920.

Three Finch brothers - Thomas Hamilton, John and Milton - came to America. Their mother was born in France and their father in Ireland ?? They settled in North Carolina. Milton stayed in North Carolina; John went to California and Thomas Hamilton to Indiana. Hamilton must have married in North Carolina, as his daughter, Caroline, was 12 years old when they came to Wayne County, Indiana, with her parents. Thomas Hamilton and wife owned the farm that was later owned by Hal Oler, east of the old Bethel Church. Thomas was killed while taking a load of logs to the sawmill at Greensfork, Indiana.

THE WILL OF HAMILTON FINCH, OF WAYNE COUNTY, IN THE STATE OF INDIANA

I, Hamilton Finch, of Wayne County, in the State of Indiana, do make and publish this my last will and testament, hereby revoking and making void all my former wills, by me at any time heretofore made.

First, I direct that my body be decently interred, and that my funeral be conducted in a manner corresponding with my estate as it pleased God to entrust me with.

I direct first that all my just debts and funeral expenses be paid as soon after my decease as possible, out of the first moneys that shall come to the hands of my executors from my estate, real or personal.

I also direct that a fair valuation appraisement be made by two judicious neighbors of my estate, including my household furniture, and after being by them signed with their names, that a copy of the same be given to my executor.

I also direct that all my stock in trade be sold by public auction for ready money, and that so much of my real estate as may be seized of or possessed shall be disposed of as follows: First, to wit, all real estate that I own at the time of my decease, I give and bequeath to my beloved wife, Elitha Finch; the one-third part of my real estate, during her widowhood, or her natural lifetime.

And in case of her marriage or death, then and in that case, I give and bequeath to my son, Calvin Finch, all of my real estate that I may die possessed of.

My reason for giving him all my real estate being as follows: First, he being my youngest son, and I having given to each of my older sons their portion, each having an equivalent, which I consider equal to what I now bequeath to my son Calvin Finch. I also give and bequeath unto my youngest daughter, Minerva Finch, the sum of one hundred dollars, to be paid by my son Calvin Finch, for I consider that this should be paid by him, the land left by me to him will increase in value to that amount more than his brothers land, and she had received nothing from me, I having given each of my other daughters the portion allowed to each of them. I also request that after all expenses are paid as first directed in the will, that one-third part of my personal estate should be given to my beloved wife, Elitha Finch, to be held by her during her widowhood, or her natural lifetime. And at her marriage (should she marry again) or death, I request my personal property to be equally divided among all my children, together with Sally Lindsey, my wife's daughter, share and share without reserve, anything that I have given before or anything in this, my last will and testament, to the contrary notwithstanding.

And I hereby make and ordain my sons, John Finch and William Finch, Executors of my last will and testament.

In witness whereof I, Hamilton Finch, the testator, have hereunto set my hand and seal this first day of February, A. D. 1840.

Hamilton x Finch (seal)

Signed, sealed, published and declared by the above-named Hamilton Finch as his last will and testament in the presence of us, who have subscribed our names as witnesses thereto. In the presence of the testator and in the presence of each other.
